Excellent! Thank you so much Gina! FYI – my upper management has been making calls to try to move this along ... my Manager, Kelly McFadden, left a voice message with Linda Hollis yesterday and my Office Director, Ed Kowalski, will be discussing this on a Directors Call today or tomorrow.

Let me know if you have any questions.

Sincerely,

Chad

Good afternoon!

Just wanted to check in with you as our regional attorney called to see if I had heard from you. Let me know if you have a new timeline for your response.

Thank you!

FYI – Chemsico just declared their response to the SSURO as CBI. If you could delete all emails with their response and manage any hard copies according to the CBI Manual that would be appreciated. I'll be sending additional information on this very soon.

Sincerely,

Chad

Good morning,

Yesterday, Ryan Jackson asked for an update on these Stop Sales. Looks like we'll be having the briefing sometime today and we want to share that we are working with OPP in light of the new information provided in the response to the Stop Sales. Do you have an estimated date for completing your analysis of the new information?

Thanks!

Sincerely,

Chad
